RICHMOND, CALIFORNIA

TUESDAY, FEBRUARY 8, 1921

NUMBER 32

BOOTLEGGING TO BE STOPPED

VOLSTEAD ORDINANCE ADOPTED BY CO. BOARD

A prohibition ordinance, framed after the Volstead act, was unanimously passed by the board of supervisors at Martinez at the regular meeting yesterday. The ordinance was presented to the board by District Attorney A. B. Tinning at the morning session of the board, and its introduction was moved by Supervisor Zeb Knott of Richmond, seconded by Supervisor C. H. Hayden of Martinez. The passage of this new dry law makes the "clean" county-wide.

The ordinance defines intoxicating liquors, and follows the lines of the Volstead act. When the ordinance was read by the district attorney he stated that municipalities throughout the county were adopting similar measures and that they have been prompted to take such a course because of the conditions that have sprung up during the past several months. The ordinance empowers the sheriff, district attorney and the peace officers to deal with that section of the county outside of the incorporated towns.

A resolution from Henry A. McNamara Post, the American Legion, asking that such an ordinance be adopted and calling attention to the conditions existing whereby bootlegging and gambling are creating intolerable conditions, was read by the county clerk and was adopted by the unanimous vote of the board. Supervisor Hayden moved the adoption of the resolution and received support for his motion from Supervisor Knott.

Mr. and Mrs. A. M. Burdick appeared before the board and spoke in favor of the adoption of the ordinance. Mrs. Burdick is one of the officers of the county W. C. T. U. Rev. Alexander Eakin, pastor of the Presbyterian Church of Danville, also spoke in favor of the ordinance and urged its adoption.

SCHOOL HEAD MEETING
Principal B. X. Tucker of Richmond Union High School is attending the conference of high school principals being held this week at San Rafael. Supt. of Schools W. T. Helms also plans to attend some of the sessions.

Dr. Walter Cole Becomes Owner of Sparks Parlors

Dr. Walter Cole, well-known dentist and son of Mr. and Mrs. Leonard Cole of 663 Thirtieth street, has purchased the dental parlors of Dr. B. A. Sparks at the corner of Sixth and Macdonald. An X-ray machine has been purchased and the parlors are being thoroughly remodeled. When the work is done, Dr. Cole will have one of the finest equipped dental parlors on the coast.

DIVORCE ACTION FILED
Suit for divorce was filed in the superior court yesterday at Martinez by Georgiana O'Loan against Albert D. O'Loan and Minnie Mello against Jesse J. Mello. Pierce & Carlson are attorneys for the plaintiffs in both actions.

Council to Put an end Sale of Liquor by Many Illicit Dealers

First reading of practically a copy of the national Volstead enforcement act was given at the meeting of the council last evening, and it comes up for final adoption next Monday night. It is very drastic in its provisions.

as drawn by City Attorney D. J. Hall, and provides for right of search without warrant, and on conviction a fine of \$500 or six months in the county jail, or both.

The action of the council follows similar action taken by many other municipalities.

All-Stars Team Defeat Martinez by Score 21 to 17

The All-Stars basketball team made another record for itself last night at the high school gymnasium, when it defeated the Martinez team by a score of 21 to 17. In the first half of the game the score was 7 to 2 in favor of Richmond. The game was very close, and was well refereed by George Greathouse. Woolslayer made eight points. McLaughlin 2 and Daley 11.

Babcock, guard of the Richmond team, and McDonald, guard of the Martinez team, were banished from the game for excessive fouling, and their places were taken by Moore for Richmond and Bartolomei for McDonald.

In the game between the One-Minute Girls and the Carneal Institute, Y. L. L., the first named team won by a score of 48 to 30. At no period of the game was there any doubt of the result.

Bids on Theater Work Are to Be Submitted Soon

Work on the new theater of the Turner & Dahnen Company will start in a short time and be rushed to completion as soon as possible. Contractors are now figuring on the brick, carpenter, sheet metal and plastering work, and the bids will be submitted in a few days.

It is estimated that by the recent drop in materials the company will save about \$4000 on this part of the work.

HODCARRIERS BANQUET
The Hodcarriers Union, No. 274, after their regular meeting at the Labor Temple last night, had a banquet. W. Willis was acting president. Business at the meeting was routine.

MARRIAGE LICENSE
Dan V. Tonelli, 29, and Constancia Bougio, 18, both of Richmond, yesterday took out a marriage license at Martinez.

Clubwomen Will Dine Butts Ranch Next Wednesday

Wednesday noon at the Butts home near San Pablo there will be quite an event, as the clubwomen of Richmond will take lunch there at that time. The lunch will be between 1 and 2 o'clock, and the general public is invited.

To reach the place take the Twenty-third street car line to its end near San Pablo, then walk a block and a half up the line.

LATE MRS. ESTHER SEARS
The body of the late Mrs. Esther Sears, who died at the home of her son, Earl M. Sears, 302 Bissell avenue, was yesterday shipped by Will D. O'Loan and Sonora for interment in the family plot. The Pythian Sisters conducted the service at the chapel prior to the removal.

Charges Against Soft Drink Proprietors Are Dismissed

Joe Granzella and Louis Agostino, soft drink emporium proprietors on Standard who had been cited to appear before the council last night to show cause why their licenses should not be revoked, had their trials, with the result the charges were dismissed.

Sailors signed statements to the effect they had purchased liquor at both of the places, but as they were not sworn to, and it was the state-

ment of one person against the other, the council could not do anything.

The sailors did not appear, as they belonged aboard a ship that is now in port.

There was a great deal of discussion over the question, and a motion was made by Councilman Carey that their licenses be revoked, but on the roll call, the motion was lost.

Ladies' Auxiliary Machinists' Union Honors President

The Ladies Auxiliary of the Machinists Union met last night at the W. O. W. Hall under the presidency of Mrs. Cora Elcher.

Mrs. May L. Taylor, state organizer, from Oakland was present and during the evening on behalf of members presented Mrs. Ada Noah with a cut glass bowl. Mrs. Noah had been president since the organization of the auxiliary on September 16, 1919.

George Black, secretary of the Retail Clerks Union addressed the meeting outlining the work of his union and urging that members of the auxiliary should confine their patronage to houses recognized as fair to organized labor.

Richmond Lodge Installs Two New Officers

Richmond Lodge, 217, of the Fraternal Brotherhood, had its regular session at the Pythian Castle last night. Three applications for membership were balloted on. Sergt. Walter Randall and Chaplain Mrs. Aggie Chandler were installed. Mrs. Cora Newell was in the chair. Following the meeting refreshments were served.

For Thursday night the lodge has planned a miscellaneous shower and whist party in honor of Ray Newell, who is shortly to be married, at 110 Tunnel avenue, Point Richmond. Members are requested to meet at 518 Macdonald avenue at 7:30 sharp for the occasion.

Eclipse Lodge, Following Meet Holds Social

Eclipse Lodge, No. 403, I. O. O. F., had its regular meeting at the Richmond hall last night. W. A. Hinds, a member of a Massachusetts lodge, but who has been living here for fifteen years, was given transfer to the lodge. Following the session there was a social and dance for Odd Fellows and their friends, and the affair proved an eminent success. Bro. Turner was chairman of the social committee.

Wife Would End Long Wedded Life; Married 26 Years

After having been married for 26 years, Minnie Mello of Richmond yesterday filed suit for divorce in the superior court at Martinez against Jesse L. Mello. Pierce & Carlson are attorneys for plaintiff.

A second divorce suit filed yesterday was that of Georgiana O'Loan against Albert D. O'Loan. Pierce & Carlson also represent the plaintiff in this suit.

RECEIVES TYPEWRITER

FOUR GOOD WORK DONE
Log Cabin Camp had its regular session at the W. O. W. Hall last night with Council Commander Willund presiding. During the evening Clerk Springer was presented with a typewriter in appreciation of the good work he has done during his term of office.

ROYAL NEIGHBORS

At the meeting of Royal Neighbors of America, Maple Camp, at the Pythian Castle last night one new member was initiated. Neighbor Elizabeth Bennett was orator.

Civic Center Club Relief Whist Party Proves Big Success

The Civic Center Club whist party in aid of the central European relief fund at the Woodman hall yesterday afternoon proved a big success. Twelve dollars will be handed over to the deserving cause. The winners of the six prizes were, in the order named: Mesdames Seely, Donnelly, Vossbeck, Clark, Pearson and Gasser. Mrs. Heck and Miss D. Byron were in charge.

NEW CONSTABLE FOR PITTSBURG

J. E. Fahy, former city marshal of Pittsburg, was yesterday appointed to the office of constable for the Pittsburg district by the board of supervisors at Martinez to fill the vacancy caused by the recent death of Constable W. J. McDermott. Fahy was the only applicant for the post and was given a unanimous vote by the board. He will assume his duties immediately.

Mrs. M. D. Grow, who was stricken with pneumonia last week, is now reported to be doing nicely, and it is expected that the patient will be up again in a few days.

BANK ROLL MARTINEZ IS BADLY BENT IS REPORTED

With but \$18,500 remaining in the Martinez treasury to meet expenses until the end of the fiscal year, it is reported that the board of trustees will find it necessary to trim exceedingly close for the next five months. In the vernacular, the town of Martinez is not "broke," but its bank roll apparently is "badly bent."

The condition of Martinez finances is disclosed in a special report prepared by City Clerk Charles E. Daley. Copies of the report have already been presented to the trustees. It is expected steps will be taken to meet the city's straightened financial condition.

From the \$18,500 remaining in the treasury, \$8000 must be paid out in salaries and bills now on file with the board, which must be met, total approximately \$8000, it is reported. This leaves about \$2500 for expenses of the government in the next five months.

The budget passed by the board last year called for \$69,000, of which \$63,000 was raised by taxes. Of this amount approximately \$50,000 has already been expended.

Harmony Court Completes Plans Dance and Whist

Harmony Court, Order of Amaranth, will give a dance and whist party at the Masonic Temple next Monday night, and the affair promises to be one of the biggest of the season. Mrs. Lulu Roe is head of the dancing committee and Harry Marcus of the whist section. Emil Esclia's orchestra will provide the music. Mrs. Emily Axtell is general chairman. Plans for the event were completed at a meeting of the committee last night.

Ladies' Auxiliary American Legion Food Sale Friday

The Ladies Auxiliary of the American Legion will hold a cooked foods sale at Pulse Hall on Friday to provide paraphernalia.

The sale will start at 2:30 and will continue until 7:30 but home made cake and coffee will be served until 11:30 at night for ten cents.

Mrs. Fannie Gregory is in charge of the sale and Mrs. Louise Starn is president of the auxiliary.

Richmond High Play Tamalpais on Friday Night

Richmond High School will play a couple of basketball games Friday night against Tamalpais High School 120-pounders and the unlimiteds. Good games are predicted.

Mr. and Mrs. Walter Hagenbuch of Martinez were week-end guests of relatives in this city.

EASTSIDE TO BE GIVEN RURAL MAIL SERVICE

As a result of the efforts of Mrs. K. A. Cole, of the east side Parent-Teacher Association, in circulating a petition asking for a rural mail route in that section, the postoffice department at Washington has taken action, and word to that effect was received at the chamber of commerce yesterday.

Assistant Postmaster S. J. Kinney, City Engineer H. D. Chapman and Secretary W. J. Wallace will prepare a chart of the route, notify the people in that district to put up mail boxes, and after the department at Washington is notified, the new service will be put into effect.

"At the present time there are over 200 families in that district between Twenty-third street and San Pablo avenue on the east, and from Macdonald avenue to the city limits on the north, who practically have no mail service, except on the old route that starts from Berkeley."

In the past if they desired to secure their mail at Richmond, they had to make a trip of over a mile each way a day, as the city carriers do not cover that section.

As the territory to be covered is a large one, it is thought that it will take two motor cars in order to make two deliveries a day, and take care of the steadily increasing number of residents in the eastern section of the city.

Schools Closed by Epidemic of "Flu" City of Salinas

After an extended visit at Salinas with his daughter, Mrs. Stell Logan, Alpheus Odell has returned home. There is quite an epidemic of flu in Monterey county and the schools and the theaters at Salinas have been closed.

FEDERATION OF WOMEN TO CONVE NE WEDNESDAY

The Richmond Club at its meeting at the clubhouse yesterday afternoon planned details for the reception of the County Federation of Women's Clubs, which is to meet here tomorrow special interest to women to be row for the discussion of matters of presented during the coming session of the legislature.

It was decided that all members of the Richmond Club should be present at the clubhouse tomorrow morning at 9:30 to meet the guests. The morning will be devoted to the business of the club, which will be addressed by Mrs. Robert Burdett.

A luncheon will be served at 1 o'clock by the ladies of the Wesley Methodist Church.

At 2:30 the clubhouse will be thrown open to the public for the afternoon session during which Miss Adele Kurtz will contribute a piano solo, Mrs. C. B. Smith a vocal solo, and Mrs. Bennett will give a reading of a play.

Harbor Bonds Will be Purchased by Mechanics Bank

Bids for the construction of the new municipal warehouse will be opened by the city council on the 14th of this month, and preparing to the awarding of a contract the council last evening accepted an offer from the Mechanics bank for the sale of the bonds, as the money was needed at par and accrued interest.

HONOR 75TH BIRTHDAY

The New Ideal Club of Stage gave a luncheon in honor of Mrs. Florida Brown's 75th birthday at the home of Mrs. J. Geritz, 160 South Fourth street. The party was well attended and everyone spent a pleasant time.

OFFICIAL PAPER CITY OF RICHMOND

THINKOGRAPHS by F. J. HULANISKI

PSYCHIC JIM-JAMS

So many people have to migrate to California on account of poor health that it is not surprising that quite a few fetch up in that land of climate and salubrity who are not only puny in body, but also in mentality. As proof of this we cite the fact that a lot of them got together at Berkeley, the college town, last week, to witness the sending of the soul of one of their number on a journey around the world. It was done by a psychic student, and after the "soul" got back the fellow it belonged to woke up and told of the foreign countries and scenes his soul had visited, accurately describing things he had no knowledge of prior to the soul visit. Now the bunch is all worked up, and some are claiming one ought not to allow one's soul to go wandering around that way. We think so, too, and also that there are a lot of mutts in this world that ought not to be allowed to be wandering around promiscuously. They might put their foot in their mouth and choke themselves to death, or something.

All there is to the "wonder" is that the chum was put under hypnotic influence, and then by suggestion made to see things. There is nothing marvelous about that at all; it has been done and explained a thousand times, and it has no more to do with the soul than the man in the moon had to do with the making of the green cheese of which that planet is composed. Those afflicted with psychic idiosyncrasy may have souls, and probably have, but the fact that they send them off on long journeys around the wicked world without chaperons is not calculated to prove that they have very much of anything from the ears north.

When we attempt to hold a pig
We find, although he grunts,
He has a working knowledge
Of all jiu jitsu stunts.

Congress and 'steen legislatures are now busy blazing trails to heaven, which are not mentioned in the gospel.

Unless the people make it known to their representatives that they demand a cutting of expenses instead of an increase of taxes, we are going to continue to get the latter. Just as long as the people will consent to be robbed, there is going to be plenty of politicians who will do that very thing.

We are not objecting to a great navy, but we are objecting, with both feet to one twice as big as necessary, and the burning up of money on account of it, or anything else. The battleships we built in 1910 cost \$6,975,000 each; those of 1920 cost over \$30,000,000 each. Our naval appropriations in 1910 were \$100,336,000, and for this year they are asking for \$695,763,000.

A banking authority says the way for banks to do is to keep their assets liquid. The advice is poor. The more liquid a fellow spends his assets on the worse headache he has next morning.

Ed Howe, the Atchison writer, says Harding is apt to prove a greater man than Lincoln. Howe also says there is no hereafter, and that death ends. Our opinion is that Howe has another guess coming on both propositions.

If the Jeffersonian doctrine of equal and exact justice to all was put in force, the capacity of the penitentiaries would have to be enlarged.

If you want to benefit fully from the "safety first" slogan, the business of beating swords into plowshares seems to have slumped.

A RICH FOOL

Almost always when a man comes suddenly into possession of wealth it makes several kinds of a fool of him. Probably being poor all his life and getting rich quick turns his head and sours what brain matter he may have. The latest instance is given in a dispatch from Paris. One, Y. Montasheff, an Armenian, owned land on which oil was discovered, and he sold it to a syndicate for something over two hundred millions. He immediately gives a banquet to the fast set of Paris, at which a small lake was rigged up and filled, not with water, but with champagne, and nearly naked girls by the dozen took a bath in it. It is just such tarnation idiots as this who light the torch of Bolshevism and anarchy, and there ought to be some way by which the government could confine them until they come to their senses. The banquet is said to have cost something like \$200,000, and any man who will cut a caper like that while millions of his countrymen and others all around him are actually starving for bread is a bigger fool than Thompson's colt that swam the river to get a drink. But then, as we have often remarked, it takes all kinds of people to make a world.

THAT NAVAL HOLIDAY

General Pershing says there ought to be a letup on naval building by the nations. Admiral Sims says the same, and both declare that not only future wars, but bankruptcy and ruin for the whole world is the only alternative. Men like these know what they are talking about, and should be heeded. Lloyd George says about the same, and he and the officials of Japan are willing to go into an agreement with the United States to suspend further naval building for a period of years. This certainly ought to be brought about. On the other hand, the naval board insists that we must go right on building six more dreadnaughts at \$30,000,000 each. The fact that the proposed naval holiday would put the naval board out of business and lose them their soft jobs is quite likely uppermost in their minds.

Thirty-eight customs house inspectors are under arrest in New York for wholesale grafting. Why don't the Associated Press get some news? There is no news in that sort of stuff; it is too common. If it want to make people sit up and take notice, let it get busy and find thirty-eight officeholders who do not graft.

We got a check this week on which was printed, "not valid unless presented within sixty days." If you are going to send any checks to this editorial department, it is not necessary to print anything of the sort on them. It only takes us about two minutes to get to the bank.

A Los Angeles preacher says the mission of Christianity is almost finished. Not as long, brother, as people blow each other to atoms in wars. And the Democrats will offer another reason, also. With so many voting the Republican ticket, they know they have much missionary work yet to do.

An exchange pertinently suggests that the movies Hooverize on their kissing, and that they also leave a little bit to the imagination as to how the heroine looks while taking a bath.

Did you ever notice on the bulletin board of this life any lists of names of men who ever achieved anything worth while by absorbing booze?

The war and the job of getting down to earth again will not hurt your business materially if you do not let it hurt your nerve.

DRINK MORE WATER
IF KIDNEYS BOTHER

Get less meat and take Salts for
Backache or Bladder trouble
—Neutralizes acids.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps.

of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night.

When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel

rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged

Pasteurized

Is it worth anything to you to know that the milk you and yours are drinking has passed THE HIGHEST TEST FOR PURITY? Is it worth anything to you to know that you and your family are enjoying the precaution and the pleasure of having the HIGHEST GRADE OF MILK that can be produced?

Our expert method of producing and bottling, OUR CLEAN AND HEALTHFUL COWS, all supervised by men who know how have solved the milk problem for you. Our customers rest in assurance which only reliability can produce.

for them.

Ask your mother for some rags and then call on the neighbors. They will be glad to help you earn some spending money by giving you their old rags.

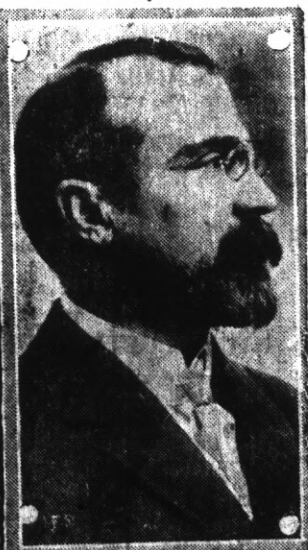

kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

CHILD, HIT BY AUTO,
SUFFERS CONCUSSION

Frankie McMillan, little son of Frank McMillan, 564 Second street, who sustained concussion of the brain when struck by an auto driven by Sam Robinson, 73 Railroad avenue, was last night reported by the authorities at Craven Hospital to be recovering. The accident occurred on Sixth street, near Macdonald avenue, on Sunday morning, and Robinson picked the child up and rushed him to the hospital.

Read the Record Herald for the latest authentic news.

Louis Barthou

This is a recent photograph of Louis Barthou, recently appointed Minister of War in the new French cabinet formed by Premier Briand. He is the son of a tinsmith. M. Barthou's political career has been varied. Only a short year ago while chairman of the French Committee on Foreign Affairs, he delivered a bitter speech attacking the British government and Premier Lloyd George. The attack was so violent that the Millerand cabinet promptly disavowed his declarations. It was generally thought that he had committed political suicide and never again would be appointed to high office.

Mr. and Mrs. Harry Berry, of 635 Eleventh street, have gone to their ranch at Castro valley.

AH! BACKACHE GONE!
RUB LUMBAGO AWAY

Rub Pain from back with small trial bottle of old "St. Jacobs Oil."

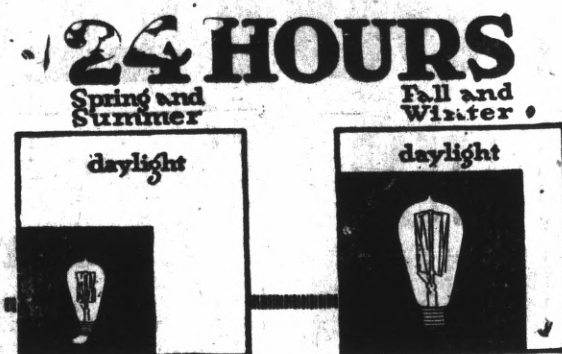

Ah—Pain is gone—Quickly?—Yes. Almost instant relief from soreness, stiffness, lameness and pain follow a gentle rubbing with "St. Jacobs Oil."

Rub this soothing, penetrating oil right on your painful back, and like magic, relief comes. "St. Jacobs

Oil" is a harmless backache, lumbago and sciatica cure which never disappoints and doesn't burn the skin.

Straightenup! Quit complaining! Stop those torturous "stitches." In a moment you will forget that you ever had a weak back, because it won't hurt or be stiff or lame. Don't suffer! Get a small trial bottle of old, honest "St. Jacobs Oil" from your druggist now and get this lasting relief.

W. A. Mackey, until recently in the furniture business here, has purchased a general merchandise store at San Margarita, near Paso Robles.

These Charts Show Why Your Electric Light Bills Are Higher Now Than In Summer

Study the above charts. The one at the left shows the relative number of hours of daylight and darkness and the hours of use of Electric Light in each day during the Spring and Summer.

The chart at the right shows the same comparison between darkness, daylight and hours of use of Electric Light, but for the Fall and Winter months.

You will notice that there is two-thirds more darkness in each day during the Fall and Winter than in the Spring and Summer, and that on account of it, it is necessary to use your Electric Light nearly three times as much every twenty-four hours as in the Spring and Summer.

It is only natural, therefore, that with this increased consumption of Electricity for lighting, your Electric Light bills will be somewhat higher.

NEEDS OF UNIVERSITY, CALIFORNIA FOR THE NEXT TWO YEARS SET FORTH

Denying the implication, in a statement attributed to the State board of control, that the University of California had requested \$15,000,000 for its support during the next two years, Comptroller Robert G. Sproul today stated the university's maintenance request to be in the sum of \$8,876,423. In addition, the regents of the university stated that their building and land needs totaled \$4,833,000, and suggested that the latter sum be included in the State building bond program recommended by the governor in his message to the legislature.

Sproul declared in effect that the people of California would be unable to have their university in the lead with similar universities of America in scholarship, research, discovery, physical training, education and teaching, if this drastic cut in funds were not to be overruled by the legislature.

Sproul's statement follows:

"The regents presented to the budget board of the State the following budget for maintenance and operation of the university for the two years, 1921-23:

Administration, general main-	\$1,565,136
tenance and operation	\$1,565,136
Campus improvements and building additions	269,385
College of Agriculture	2,500,000
Medical School and Hospitals	1,020,000
College of Dentistry	31,000
Hooper Foundation	95,000
School of Architecture	48,420
College of Chemistry	358,020
College of Commerce	231,100
Schools of Education, including Univ. High School	262,000
Colleges of Engineering	402,000
School of Jurisprudence	120,900
College of Letters and Science	1,990,342
University Libraries	310,000
School of Public Health	22,240
Lick Observatory	132,000
Scientific Institution for Biological Research	45,000
Vertebrate Zoology	3,680
University Extension	170,000
Southern Branch Junior College	500,000
	\$10,076,423

"Of this total, the regents informed the budget board, an income of \$1,200,000 would be secured from other sources than State appropriations, thus reducing the amount requested from the State for maintenance and operation to \$8,876,423."

nance and operation to \$8,876,423.

"In addition to this sum, the regents presented a statement of the need of the university for new lands and buildings totaling \$4,833,000, with a suggestion that this amount be included in the State building plan recommended by the governor in his message to the legislature. The items constituting this total were as follows:

Physics Building	500,000
Education Building	100,000
Engineers' Equipment	50,000
Household Art Building	40,000
Aquarium	6,500
Storehouse	3,000
Stables for Cavalry Unit	3,500
Medical Science Building & Hospital	2,000,000
Dormitories (2 units)	640,000
Lick Observatory Buildings	40,000
Buildings at Davis Farm	500,000
Land at Southern Branch	200,000
Agriculture Land in Berkeley	750,000

\$4,833,000

"Attention is called specially to the fact that this sum was not requested for the coming biennium, but was suggested for inclusion in the governor's building bond program."

"Finally, the regents asked for an appropriation of \$500,000 for the teacher training work at the southern branch in Los Angeles, and \$200,000 for the support of beds at the university hospital for dependent wards of the State. These items

were asked for outside of the university budget because of the following facts: The teacher training work now conducted in the southern branch is the work that was formerly done by the Los Angeles Normal School, and for which the State would have provided outside of the university budget if that normal school had been continued. The appropriation of \$200,000 for hospital beds was a suggestion from the State board of control, and while the installation of such beds is an advantage to the regents, it is not an item which the regents believe should have been assessed against their budget.

"The State board of control recommended for appropriation by the legislature \$7,162,499.15 for maintenance and operation instead of \$8,876,423, and in addition recommended \$500,000 for teacher training work at the southern branch at Los Angeles and \$200,000 for beds at the university hospital. They recommended further that an appropriation of \$1,000,500 be made for new buildings, the total consisting of the following items:

Physics Building	500,000
Education Building	100,000
Farm Buildings outside of Berkeley	400,500
	\$1,000,500

"The reduction which will seriously cripple the university for the coming biennium, is the reduction of \$1,713,923.85 in the budget requested by the university for maintenance

and operation during the coming two years. If this figure is accepted by the legislature, it will mean that no new activities can be undertaken, and that the university cannot operate on the high standard which has made it such a credit to the State of California in the past."

Tomorrow—"Love, Honor and Obedience"

I want you to know why?
I buy equities and give shape to my buyers.
I was one of the first agents who sold Richmond lots in 1901. Since then I have advised many to build, and rent or sell. That's why I offer a snap every day.
Today I have 2 lots, 36 1-2 x 112 1-2 near Roosevelt, at \$750 each. Will sell one or both.
Geo. W. McPeckson
919 Macdonald Ave.

SHE CONFESSED TO HIM

The phone bell tinkled, "Eleanor, want to go to the movies tonight?" It was Fred speaking, and Eleanor's heart skipped two beats.

"Why, yes, Fred. I—" Fred had rung off, and a few minutes later ran up the steps of Eleanor's house to find her garbed in a one-piece dress and small fur, awaiting him. He tried to hide the annoyance he felt.

"Eleanor," he had said, as they walked out into the cold night air, "why do you insist on going out at night in such thin tog?" Why don't you bundle up in a warm coat?"

"Well, if you really want to know, Fred, it's because I haven't got one, and furthermore I'm so broke now I see no immediate prospect of getting one."

Fred smiled. "You need the same good advice I got yesterday. I was in the same boat until one of the boys at the office put me wise. He told me about two credit stores, Cherry's is the name. They have a store for women at 515 Thirteenth street, and one for men at 528 Thirteenth street. I got the nicest camel-hair overcoat there for \$47. It was reduced from \$65, and besides that I paid only a small amount down and the rest will come as I can afford it. Their women's wear is classy, so I'm told, and their prices very low, even with this generous 'take your time about paying' feature. I don't know much about women's clothes, Eleanor, but I'm willing to learn."—Advt.

ARE YOUR KIDNEYS WELL?

Many Richmond People Know the Importance of Healthy Kidneys.

The kidneys filter the blood. They work night and day. Well kidneys remove impurities. Weak kidneys allow impurities to multiply. Nephritis should be neglected. There is possible danger in delay. If you have backache or urinary troubles. If you are nervous, dizzy or worn out.

Begin treating your kidneys at once! Use a proven kidney remedy. None endorsed like Doan's Kidney Pills. Ask your neighbor.

Recommended by thousands.

Proved by Richmond testimony.

Mrs. Lulu M. Irwin, 549 N. 9th St., Richmond, says: "About two years ago my kidneys were in awful bad condition. My back and limbs ached constantly. The least move I made caused intense pain. Headaches almost drove me frantic. My head whirled with dizziness, and spots floated before my eyes. My limbs were swollen badly and the action of my kidneys was too frequent. I read of Doan's Kidney Pills and used them. They helped me right away and soon cured me."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Irwin had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Advt.

HEALTH OF CHILDREN INDICATES THEIR FOOD

The health and appearance of children are a good test of the wholesomeness of their diet. If they are strong, well developed for their ages, free from ailments, and full of energy and ambition, one may safely say their food agrees with them. But if they are listless and ailing, or not so well developed, either physically or mentally as they should be, and if a competent physician finds that there is no special disease to account for these bad symptoms, a mother may well ask herself if the food is right, and if not, how she can make it so.

If you don't see what you want advertised in these columns, run a class ad and you'll get it.

The Mail Goes In

While the Salesman Waits

We can furnish you the kind of printed sales letters and circulars on HAMMERMILL BOND that will get your message in the right way to the man who can buy your goods. Use more printed salesmanship. Ask us.

Where is the "Deficit?"

"No appropriation should be considered where the need is not urgent."
—Message of Governor Stephens to the 1917 legislature.

The people voted, in November, additional State costs totaling \$18,000,000.

Governor Stephens in his message to the 1921 legislature declares: "It is because of this voluntary action of the people themselves that the financial difficulties referred to have arisen."

Let Us Consider the Facts

State officials estimate our income for the next two years at \$67,000,000

Charge up against this the 1919-1921 budget, which was \$47,000,000 and add the \$18,000,000 voted by the people for the next two years. The total is 65,000,000

We still would have left in the treasury \$2,000,000

Two Million dollars left, after paying every cent the people of California ever voted to pay.

Two Million dollars left, after paying for every State expense at the rate we had to pay when costs were higher than they will be again for many years.

Two Million dollars left, after re-appropriating in full for the vast burden of "unnecessary duplications and unnecessary waste" which Governor Stephens admits now exists in the State government.

Two Million dollars left, after we Californians spend for our State government twice as much as the average citizen of other states.

Who Wants This Money?

Yet Governor Stephens declares "it is because of the voluntary action of the people themselves that the financial difficulties referred to have arisen."

Governor Stephens goes further. He goes \$15,000,000 further.

After we have paid every dollar that we paid in 1919-21, and after we have paid every dollar we voted to pay at the November elections—after we have provided a surplus of \$2,000,000 for emergencies, Governor Stephens calls for \$15,000,000 more.

Other states are economizing. Illinois in one year has reduced her governmental costs

\$2,500,000.	
Yet California State officials call upon the people for \$15,000,000 above all amounts previously spent or now authorized.	
Already California is spending vastly more than her sister states, which are now reducing their budgets. The per capita government costs for actual running expenses (as distinct from interest and new investments) are shown by the 1919 U. S. census report to be as follows:	
Average for all states	\$6.14
Illinois	3.48
California	7.76

These Things Are True

The people have created no deficit, and there is no deficit.

The extra \$15,000,000 now demanded by state officials is over and above all appropriations ever made in the past and all new expenses authorized by the people. No increase of any tax rate is necessary.

Ask your legislator to demand that the state live within its income.

TAX INVESTIGATION AND ECONOMY LEAGUE

HERBERT W. CLARK, President

W. V. MILL, Secretary

1204 HUMBOLDT BANK BUILDING, SAN FRANCISCO

"The power to tax is the power to destroy"

The Home-Staying Dollar

Is the dollar that counts in the long run. It's the dollar that eventually "comes back." If Jones buys a suit of clothes from Smith and Smith buys a pair of shoes from Jones the dollars involved in the transaction stay in Richmond and both Jones and Smith make a profit.

If, however, Jones buys his suit in some other town and Smith goes elsewhere to buy his shoes, both Jones and Smith lose a profit and the money each spends may never come back to Richmond.

Too many Richmond people buy suits and shoes—and many other necessities—in other cities. Richmond is a prosperous community to be sure, but not nearly so prosperous as it would be if we all remembered that the home-staying dollar.

Good

CERTIFIED SEED POTATOES TO PLANT LT. GOVERNOR DEFENDS TAX BILL

Do you want some real, honest-to-goodness genuine certified seed potatoes to plant?

The University of California farm is distributing a limited amount of these certified seed potatoes, called the white rose potato.

These potatoes produced at the university farm have been approved for certification by the State department of agriculture through Mr. Shear, its potato inspector.

Shear made three visits to the university farm fields, one at blooming time, another before digging, and again while the potatoes were being harvested. On each visit he inspected the plants for trueness to type, freedom from disease, and productiveness.

After each inspection all plants not meeting the above requirements were

removed from the fields. At harvest the potatoes were sorted and only those passing the tests were placed on the honor roll and given a certified grade.

The potato of honor with a certified pedigree, called the white rose, is well adapted to nearly all parts of the State. It is the principal variety planted in the Sacramento and San Joaquin valleys, as well as in Southern California.

A sandy loam is most favorable for the white rose. Large yields also are often produced in the silt soils of the river bottoms.

February and March are the principal planting months for the spring crop of potatoes in the interior valleys and in Southern California.

Subject: "Chickens Favorite Laboratory Subjects at University of California."

"Is California going to be responsible to the people or to the corporations?"

Lt. Governor C. C. Young yesterday afternoon asked members of the Richmond Club during an address on the King tax bill, defeated by the legislature just before the recess, and in support of which both lieutenant are now touring the State.

Governor Wm. D. Stephens and his The speaker attacked opponents of the bill and maintained that it aimed to equalize taxation by making the corporations bear their just share. It was a fight between the corporations and the people, he declared, and he presented a mass of figures in an endeavor to show that while local and municipal taxes had increased between 70 and 80 per cent since 1917, no increase had been imposed upon the corporations.

"While the budget for the present is much in excess of that in 1917," he continued, "the public does not take into account that \$9,000,000 of this amount was voted by the public itself at the last November election on highway tax, orphanage and other

measures.

"The present budget calls for \$40,700,000, against \$24,000,000 in 1917. Deduct from this \$40,000,000 the amount voted by the public, and it is found that the present budget is only \$7,000,000 in excess of the 1917 one, or about 30 per cent. Compare this with the 75 per cent increase in local budgets.

"Further, the retrenchment of the 1919 session of the legislature has necessitated expenditures in maintenance of State institutions this year. It is truly a wonder that the State government has been able to hold down expenditures in the way it has.

"Lobbyists and opponents have severely criticized the administration and particularly the State board of control. I invite any committee to call upon the State board of control and I assure full access to all their books. If you can show the slightest channel of saving, I shall call you blessed. Yet the corporations in paid advertisements state that they can show where \$15,000,000 biennially can be saved."

FOOD PRICES WITNESS STEADY DECLINE

In the Weekly Market Review, just issued by the California Retail Grocers' Association, the greatest number of market changes in more than a year are indicated.

The drops in the market cover a wide range of goods and include, besides sugar and rice, bulk pickles, some brands of canned milks, rolled oats, canned lunch tongue, cocoa, soaps, clothespins, washboards and a host of other things.

The decline in sugar was forced by a weak New York market. The review says, although local refiners are still working on raw sugars that cost them more than the present jobbing price of refined cane sugar.

The grocers' price review predicts there will be no further decline in the price of rice for some time. It says:

"Since the early rains destroyed a large proportion of the California rice crop and since Japanese merchants are buying heavily for their trade, which is a good indication, and furthermore, since the growers' association and the Rice Millers' Association are co-operating in an endeavor to prevent a demoralization of the market, it is felt no further decline may be looked for."

The weakening market on laundry soaps which manifested itself last week with declines in price of five leading brands, was continued this week, when six brands of soap took drops. Sal soda took another slight drop in price, but not so all of the ingredients of the family washing, for among the commodities for which price advances are noted this week is bluing.

Similarly several brands of chocolates followed the example set by others last week and dropped their prices this week.

Syrups and some other grocery goods largely made of sugar, such as fruit jams and prepared desserts, show a recession. Coconut shredded, in packages, has also been reduced in price by several packers, as well as elder and one manufacturer's line of non-alcoholic beverages.

Ham and bacon were decreased in price 1c and 2c a pound by the leading packers. Other commodities dropping in price, according to the trade review, are: Cornmeal, a brand of canned milk, corn flakes, and some other cereal products; salad oils, salad dressing, rock salt, onion and celery salt and similar seasoning preparations.

The advances in price put in ef-

fect during the week are included in one brand of canned minced olives, a brand of tomato catsup, a brand of canned clam chowder, stove polish, boneless herring, bluing and macaroni.

The trade review gives publicity to a recent statement of the labor department that the "food dollar" leads all other "dollars" as the "clothing dollar," the "traveling dollar," the "amusement dollar" and others, in the amount by which it has increased in value over last summer.

It has advanced, says this statement, 25 per cent in purchasing value over last June. Last June, it is said, it took \$2.19 to buy the amount of food which a dollar bought in 1913. Now it takes but \$1.78 to buy the same amount of food.

4 DERISORY REMARKS

We all know too much that is not so.

The packers make both ends meet—also meat.

The stub-tailed dog has no tin can attachment.

The worst remaining autocrat is old King Coal.

Only ten millions were killed in the war—why disarm?

Europe is a body of land entirely surrounded by trouble.

Talking disarmament and "toting a gat" is inconsistent.

Humanity is getting to be a sort of suppressed riot.

The world is safe for democracy, but not for Wilson or Cox.

You can tell when you arrive at Chicago by the smell.

If good resolutions were kept hell would be lonesome.

Prosperity is better measured by trucks than by joy busses.

Hammer swords into plowshares and corkscrews into teaspoons.

PETTA'S CASE CONTINUED

On request of counsel, the case of Spiro Pettas, alleged abductor of 14-year-old Marie Schofield, was continued yesterday afternoon by Superior Judge R. H. Latimer at Martinez until next Monday, when Pettas is to plead to a charge of rape.

Particulars of the alleged abduction appeared in the Record-Herald a few days ago.

Old Stage Farce Presented in Film at Theater Today

Amusement seekers will welcome the news that the delicious humor of the old stage farce, "Mrs. Temple's Telegram," has been transferred to the screen by Elmer Harris, and that Bryant Washburn will appear in the photoplay version at the Richmond Theater today.

The plot concerns the misadventures of Temple, when he failed to come home one night and invented a friend called Brown in order to explain his absence to Mr. Temple. But Brown and his wife and the pal whom Temple induced to pose as Brown, injected themselves into the mess, and there was a riotous mess, out of which Temple extricated himself in a most novel manner.

Wanda Hawley is the leading woman in this delightful comedy, and Walter Hiers and Sylvia Ashton are among the favorites who help along the fun. James Cruze directed the picture, which is a Paramount-Artcraft.

An Educational-Scenic reel and a Peerless Comedy will complete the bill.

Tomorrow, "Love Honor and Obey" with an allstar cast will be the feature.

A YOUNG MAN'S FANCY

It was a Sunday afternoon in the park, and Jack and his best girl were admiring the weather, the scenery and incidentally the clothes of the passers-by.

"Gladys," he whispered, "see that girl ahead of us. The one with the stylish spring suit. That's what I call a classy outfit. Why don't you get something like that? Because, if she looks classy in it—you'd look—oh! well, you know how I think you'd look."

Gladys smiled. "Jack, dear, I may as well tell you now of the surprise I had for you for next Sunday. I have a suit almost identical with that. I bought it at Cherry's yesterday, and, best of all, I didn't have to pay but a little bit down. You know, they have a liberal credit system. I got mine at the women's store, 515 13th street, and they have a men's store at 528 13th street. I saw the classiest overcoat there for you—it's a camel's-hair, and it's only \$47. They have been selling them for \$65. You don't have to pay cash either—and your pay day is their pay day. Please get one, and let's make it a double surprise for next Sunday."—Advt.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets Are a Harmless Substitute

Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets (a vegetable compound mixed with olive oil) in his private practice with great success. They do all the good that calomel does but have no bad after effects. No pain, no griping, no injury to the gums or tongue, no injury to the liver or stomach, no loss of appetite, and they stimulate the liver and bowels. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." Note how they clear clouded brain and perk up the spirits. 15c and 50c a box.

THROAT TROUBLE CURED

Oakland, Nov. 1, 1920. To whom it May Concern:

I suffered from throat trouble for 15 years, during which time I could neither eat nor swallow without pain. I became very weak and was unable to work for months. I had many nervous doctors and then tried a Throat specialist, who told me that my trouble was due to the blood. He advised me to take blood medicine. Thereupon my brother, who had been cured of Stomach Trouble by the FONG WAN HERBS, urged me to try them. After drinking the herbs for 15 weeks, I felt entirely well. I have since gained 25 pounds. It is 30 months since I took the herbs, and I am now giving this testimonial to let the public know that any sufferer should try the FONG WAN HERBS. I am a watchman for the California Food Specialties Co.

(Signed) A. J. Fox.

ROUTINE BUSINESS OF CITY COUNCIL

At the meeting of the council last evening all members were present with the exception of Councilman J. G. Gerlach.

The petition for an are light on the corner of 39th and Clinton was laid over for one week.

The locating of a fire hydrant at the corner of Third and Maine street was left in the hands of the city manager.

It was decided to have plans drawn for the improvement of Bay View Avenue and 56th and 57th streets, with a five inch concrete base.

Notice of change of grades on Nineteenth and Portola avenue was adopted. This is to provide for the improvement of the subway.

The question of adopting a system of electroliners for the main business streets of the city, was laid over for two weeks.

It was recommended to the council that an ordinance be adopted compelling railroads to have a man on the footboards when engines are backing up. The city attorney will prepare the measure and present it at the next meeting.

Serpentine Dance by the Rebekahs Bank Hall Tonight

This evening at Bank hall there will be a serpentine dance, given by Zephyr Rebekah lodge. The hall will be beautifully decorated with serpentine. Good music has been provided.

The committee in charge is composed of Miss Grace Curry, chairman, Mrs. C. Childs, A. Childs, Mrs. L. Cohn, Mrs. F. Spiersch, Mrs. Joella Bonham, Mrs. Belle Boyer and Mrs. R. H. Curry.

Pullman Water Injunction is Set for Monday

Superior Judge R. H. Latimer at Martinez yesterday continued until next Monday a hearing in the injunction suit brought by the Pullman Water Company against Alois J. Meindersee and Sherif R. R. Vaale by which the company seeks to prevent the defendants from levying against property in Richmond to satisfy a damage judgment of \$5000 secured by Mrs. Meindersee.

It was reported that railroad commission hearings in the matters of the Western Motor Transport Company, and the Santa Fe railroad will be held at the city hall on the first of March.

Show me a successful merchant And I will show you that he is an advertiser

Advertising is the food that a healthy business thrives on

Tired of Thefts Decides to Keep Home "Open House"

Charles F. Beckhaus, whose home has been burglarized twice within the past couple of weeks, has made up his mind to keep "open house" for burglars in the hope that if they must visit his home they will refrain from tearing panels from his back door and prevent the landlord from raising his rent, which Beckhaus has said the landlord has threatened to do. Yesterday, Beckhaus informed the burglar fraternity of his intention by issuing the following notice:

"Notice to Burglars: The back door of my residence at 134 Fifth street will be found open at all times. Please refrain from cutting panels. Charles F. Beckhaus."

Auto Runs Amuck Badly Damaged; No One is Hurt

A Lexington coupe, reported by the police to be owned by E. H. and O. M. Hirsch, dealers of Irvington, about 9 o'clock Sunday night dashed into a hydrant on Standard avenue, near Contra Costa, and then ran into a culvert and was badly smashed. The cause of the accident is not known to the police. The damaged car was removed to a nearby garage. Fortunately no one was injured.

Experiments Are Made at Univ. With 1-Day Chicks

One-day-old chicks are a favorite subject in the laboratories of the University of California in connection with experiments by the division of nutrition of the College of Agriculture.

This has been revealed by Prof. M. E. Jaffe, who declared that a certain food diet is being given the young bipeds in order to determine the essential ingredients in food which are responsible for the growth and development of the consumer of the food. These ingredients, called vitamins, are the life-producing qualities in food.

WEDDING BELLS RING

The marriage of Miss Alice H. Shanahan of 213 South First street, and Harold Catt of Oleum, was solemnized at St. Mark's Church, Rev. P. M. Griffin officiated. On return from their honeymoon the couple will settle in this city.

Legion in Protest Soldier Publicity in Crime Stories

Protest against newspapers "featuring" the fact that an individual charged with crime is an ex-service man and an earnest request that papers refrain from this practice is contained in a resolution adopted by the Contra Costa County Council of the American Legion.

The resolution declares "It tends to create in the public mind a false impression in regard to the service and the ex-service man."

LADIES! LOOK YOUNG, DARKEN GRAY HAIR

Use Grandma's Sage Tea and Sulphur recipe and nobody can tell. Brush it through hair.

Gray hair, however handsome, denotes advancing age. We all know the advantage of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundredfold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair subtly, as it darkens so naturally, beautifully, besides, so one can pose and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

County Defrays Expenses Farm Home Instructor

The board of supervisors at Martinez yesterday voted \$1500 to the Contra Costa farm bureau to be used in defraying expenses of a University of California instructor in home demonstration and canning. The instructor is paid by the university and the fund voted by the supervisors is to be used only in defraying her expenses. The demonstrator will visit farms and homes throughout the county during the spring.

LAMBERTS ENTERTAIN FRIENDS AT THEIR HOME

Mr. and Mrs. Lambert were host and hostess at an elaborate party on Saturday evening at their home, 223 Sixth street. Mr. Lambert entertained a few of their many Richmond friends, including Mr. and Mrs. Shepard of Fruitvale, with a few of his Harry Lauder songs in a very pleasing manner. Pryce Roberts also entertained with his choice vocal selections with Fannie Brown at the piano. At a late hour a delightful supper was served and enjoyed by all.

Try the class columns of the Record-Herald for results.

Man Knocked Down by Automobile is Severely Injured

Sig. C. Maneglia, of 533 Sansome street, San Francisco, was knocked down by an automobile driven by John J. McTigue, 19 Cottage avenue, Richmond, and sustained three broken ribs and a fractured thigh. The accident occurred on San Pablo avenue beyond the city limits, but was reported to the Richmond police. McTigue brought the injured man to Graven Hospital, where he was attended to by Dr. St. John Healy.

SIX-YEAR-OLD CHILD DIES FROM PNEUMONIA

Elizabeth Ann Walker, aged 6, the daughter of Mr. and Mrs. James Walker, 141 South Fourteenth street, passed away from pneumonia. The funeral, which is to be private, will take place from the Wilson & Donnelly chapel, and interment will be at Sunset View cemetery.

LEVI BOSWELL NOW RECOVERING

Levi Boswell, pioneer resident, whose condition has been the cause of concern to his family and friends for the past few weeks, continues to improve, and yesterday was reported to be on the road to recovery.
